Don was a long-time teacher and member of the Salisbury Elks Lodge #699. He held many positions in Elkdom, but probably none more important to him than chairperson of the Scholarship Committee. As scholarship chairperson, he sent information to each school regarding the Elks National Foundation's Most Valuable Student Contest. This competition is open to all seniors in high school. He, along with others on his committee rated all the applications in Rowan County and surrounding counties based on academic, community service, leadership qualities and financial need.

When our members decided to create our own local scholarship program, it seemed appropriate to name this tournament after Don.

Sign up at the lodge or call 704-636-1161 after 5 p.m. to make your reservation, or call Bob Sce at 704-798-8813.
